SUPPORTED BY

GREEN ENERGY EXPO ZAGREB 2026

International Fair and Conference on Green Energy and Sustainable Development

DATE: 9-10 June 2026

LOCATION: Hotel Westin, Zagreb, Croatia

GREEN INNOVATIONS

Discover the cutting-edge solutions transforming the energy sector. From renewable hydrogen technologies, and small modular reactors (SMRs) to databases, battery storage, and renewable energy sources such as solar, wind, geothermal, and biogas – explore the technologies shaping a cleaner future.

EXPO - EXHIBITION & CONFERENCE

Indoor and outdoor spaces dedicated to showcasing the latest equipment, technologies, and vehicles powered by sustainable energy innovations.

INSIGHTS FROM TOP EXPERTS

Engage with thought leaders through keynote presentations and dynamic panel discussions on the future of energy and sustainable growth.

B2B CONNECTIONS & NETWORKING

Expand your professional network by meeting innovators, investors, and decision-makers in exclusive B2B sessions and networking events.

VISIBILITY & IMPACT

Position your brand at the heart of the green transition. Gain recognition, increase your visibility, and actively contribute to building a sustainable future.

Be part of the leading green energy gathering in Croatia and the wider region!
