OUTLOOK

Enforce Tac 2027 is held under the motto *Integrated Security for a Resilient Europe*.

German Federal Chancellor Friedrich Merz will once again serve as patron.

The high demand of 2026 is reflected in the almost complete rebooking of the exhibition space resulting in the expansion to **10 halls** and **three congress centers**.

Interest among political and military delegations and decision-makers is growing both nationally and internationally, underscoring the increasing importance of Enforce Tac as a European forum for dialogue and cooperation.

Focus on Innovation: Enforce Tac showcases the technologies that will be crucial to tomorrow's defence and security capabilities.

To ensure a great visitor experience, the halls are organized into three exhibitor clusters:
